Special Lecture on Rights: Theories and Practices

Today, I had the privilege of delivering a lecture on “Rights: Theories and Practices” at Domkal College.

Lecture Overview :

The lecture covered key concepts and theories related to rights, as well as their practical applications. The discussion aimed to provide students with a deeper understanding of the importance of rights in promoting social justice and human dignity.

Key Topics Covered:

1. **Theories of Rights:** We explored various theoretical perspectives on rights, including natural rights, human rights, and legal rights.
2. **Types of Rights:** The lecture discussed different types of rights, such as civil, political, economic, social, and cultural rights.
3. **Practical Applications:** We examined how rights are applied in real-world contexts, including case studies and examples from India and around the world.

Engagement and Discussion:

The lecture encouraged active participation and discussion among students, who engaged thoughtfully with the topics and asked insightful questions.
